2 November 2006

Major (Ret) Henry S. Williams, Jr.
Buffalo Inner City Youth Fan Club for Golfing, Inc.
612 East Delavan Avenue
Buffalo, NY 14221

Dear Mr. Williams,

Please allow this letter to serve as our letter of support and participation in the Buffalo Inner City Youth Fan Club for Golfing's (BICYFCG) programs during the 2006-2007 academic year and into the summer of 2007. We look forward to participating again as we did last year.

As you know, City Honors is a grades 5 through 12 building. And, I am happy to announce that, with the help of our Physical Educational Department, we are going to expand our participation to include our Middle School students and potentially some elementary students.

Our High School students are excited for the opportunity to not only participate in the program, but also earn Community, Action and Service (CAS) hours required for the International Baccalaureate Diploma Programme. Additionally, teachers of the Senior Level Participation in Government classes are willing to allow student's who act as mentors to earn Public Service hours. The high school students look forward to the opportunity to mentor other students, helping them with homework and their golf techniques.

We again appreciate the opportunities BICYFCG has provided our students. Please find attached a few short student bios of City Honors students who have participated in your program and have gone on to successful endeavors in their own personal lives.

Sincerely,

John McTigue
Teacher, City Honors
