DAVID M. GRECO  
PRINCIPAL

November 3, 2006

We have been approached by Major (Ret.) Henry S. Williams, Jr., Executive Director of the Buffalo Inner City Youth Fan Club for Golfing, Inc. and Mr. James Frank, Board Member and Chair of Program Services to support and add students from our school in forming a golf club. Mr. Frank is a graduate of Hutch Tech and feels this would benefit the students, the school and the community. It would also provide an avenue for careers in the golfing industry enabling students to give back to the community. Our school has an excellent academic history. Several students, both graduates and those presently attending Hutch Tech, are members of the golf program (Craig Harris and James Harris).

We are writing this letter in support of the golf program and to help the initiative of promoting golf in our school.

Sincerely,

David M. Greco  
Principal
